

Scholarship Program

The hallmark of the Greater Long Beach Alumnae Panhellenic is our scholarship program.

We offer grant awards of varying amounts to active sorority women attending California State University Long Beach as well as to those sorority members who graduated from high school in the greater Long Beach area but attend a college or university elsewhere in the United States.

The outstanding students who receive GLBAP grant awards have demonstrated excellence in several areas: scholarship, community involvement and service, and sorority and other extracurricular activities.

These scholarships are awarded annually in the spring. Sorority women in the Long Beach area who wish to apply should check the GLBAP website for more information.

You can help outstanding students reach their academic goals and pursue their dreams. Go to www.greaterlongbeachalumnaepanhellenic.com and donate now to the Greater Long Beach Alumnae Panhellenic scholarship program.

Who We Are

Greater Long Beach Alumnae Panhellenic currently represents 500 women in the area who are active in their local alumnae groups. Participation in GLBAP is open to the 26 member organizations of National Panhellenic Conference.

About Us

Since 1913, Greater Long Beach Alumnae Panhellenic (GLBAP) has supported the sorority experience of leadership, friendship, community service and scholarship for university women from the Long Beach area.

The members of GLBAP are sorority alumnae who represent the 26 organizations that comprise National Panhellenic Conference (NPC), one of the oldest and largest organizations advocating for women. Our members have experienced the many benefits that sororities offer individuals – not just in college, but throughout their lives – and work to promote participation in the sorority system among both students and alumnae.

Our primary focus is to provide scholarships and other assistance to collegians at California State University Long Beach (CSULB) as well as to sorority members who live here and attend college outside the area. We also publicize the accomplishments of sororities and their members, foster collaboration among sororities, help with annual recruitment at CSULB, partner with the university in studying and solving problems facing students, and support community service projects.

Go Greek...for Life

Sorority sisterhood begins in college and can last a lifetime. The bonds made in sororities are rewarding, powerful and enduring.

Sorority membership enables young women to make lifelong friendships, strive for academic excellence, contribute to their communities and share experiences that will help shape a successful future. Sororities provide members with a broad range of social events and offer opportunities for them to build teamwork and effective leadership skills.

Community service is also a fundamental part of the sorority experience, and members plan and participate in chapter-sponsored and community-based service projects as well as contribute money and/or time to national philanthropies. Most importantly, every sorority places great emphasis on high scholarship and promotes academic excellence through incentive programs, honor societies, workshops and tutoring. After graduation, members are encouraged to remain active with their sorority by joining an alumnae group.

Continued sorority affiliation offers women an impressive range of support throughout their lives. These advantages include: a network of alumnae contacts; career leads and mentoring opportunities; a chance to give back through charity events and volunteer work; and a welcoming voice, helping hand and practical advice in a new city. A 2014 Gallup poll of college graduates found that members of sororities and fraternities are more likely to be thriving overall and more engaged at work than those who did not go Greek.

Voice for Sorority Advancement

Part of the National Panhellenic Conference, the Greater Long Beach chapter is one of almost 200 active Alumnae Panhellenic groups in the United States, Canada and United Kingdom. Long Beach has been recognized for programming excellence by NPC, the premier advocacy and support organization for the advancement of the sorority experience.

NPC is the umbrella group for 26 national and international sororities and serves as the national voice on contemporary issues of sorority life. Founded in 1902, NPC sororities are now located on more than 670 campuses with 380,565 undergraduate members in 3,234 chapters. Alumnae are represented in 3,889 associations throughout the world.

Each year, NPC-affiliated collegians and alumnae donate more than \$34 million to worthy causes, provide \$6.5 million in scholarships to women and volunteer 2.5 million hours in their communities. For more information on National Panhellenic Conference, visit www.npcwomen.org or find NPC on Twitter and Facebook.
