ABOUT GREATER LONG BEACH ALUMNAE PANHELLENIC

Since 1913, Greater Long Beach Alumnae Panhellenic has supported the sorority experience of leadership, friendship, community service and scholarship for university women from the Long Beach area.

The members of GLBAP are sorority alumnae representing the 26 organizations of the National Panhellenic Conference, one of the oldest and largest organizations advocating for women. Our members have experienced the many benefits that sororities offer women – not just in college, but throughout their lives – and work to promote participation in the sorority

system among both students and alumnae. Currently, GLBAP represents 500 women in the area who are active in their local alumnae groups.

Our primary focus is to provide scholarships and other assistance to collegians at California State University Long Beach as well as to sorority members who live here and attend college outside the area. We also work to publicize the accomplishments of sororities and their members, foster collaboration among sororities, help with annual recruitment at CSULB, and support community service projects.

Reservation deadline for the Scholarship Awards Banquet is April 15
